

## Wuzzy Takes Off (Gund Childrens Library)

Wuzzy, a woody bear, lives and plays all day with his friends in the forest but he longs for adventure. One day he decides to go to the moon in a hollow log space capsule. As Wuzzy discovers Fuzzyheads, moon rocks, moon trees, and moon rivers, children will easily recognize this somehow very familiar place! Inspired by the classic plush bear created by Gund, this is a story children will cherish as much as they do their very own Wuzzy bears.
