

Elephants For Kids Book- A Childrens Book All About Elephants

Elephants For Kids Book is a nice, easy read ebook for parents to read to their child, or an older child to read, to learn all about elephants. Find out where elephants live, how big they are, what they eat, and more surprisingly, how much they eat! There are tons of pictures as well as Fun Facts posted throughout the book. AND there is a bonus section. You will have to read it to find out what it is...but I will give you a couple hints. Its about a species that are relatives to the African and Asian elephants, but they are no longer living today. And...they are kind of hairy. Know what animal Im talking about? Go see if your right!
