

Osos Polares / Polar Bears at the Zoo (Animales del Zoológico / Zoo Animals)

Polar bears are huge, menacing mammals that hunt for food in the wild. In the zoo, though, these big, furry animals are almost cute! Beginning readers will love learning about these big bears as trainers take care of them and their adorable bear cubs. Polar bears love to spend their time in zoos munching on carrots and fish, or even playing on rocks before going for a swim. Through simple text and supporting photographs, readers discover fun facts about these impressive predators within the safe setting of a hometown zoo. Learning about these great animals is an exciting way to gain a better understanding of nature from the comfort of your hometown zoo.
