

La Cancion del Gego/Geckos Song (Historias Para Dormir) (English and Spanish Edition)

A collection of eight large-format, charming picture books illustrated by award-winning artists such as David McKee, Maurice Sendak, and Rosemary Wells. The funny and witty stories, suitable for reading aloud and young readers, deal with themes such as self-esteem, family life, and imagination. Includes an original counting book -Cuando los borregos no pueden dormir. This vividly illustrated story describes a young gecko's experience in a rain forest after he becomes separated from his mother. During his search he meets an amazing variety of animals and learns much about his forest environment. A brief description of rain forests and endangered animals featured in the text is included at the story's close.
