

Sales Cycle Tsunami

Are you a coach, speaker, consultant or author ready to take your message and mission to a larger audience? Would you like to create more passive products and programs that transform your time into your most expensive offering, not the only offering? If you're sick of being frustrated and overwhelmed with the non-stop parade of shiny objects masked as solutions then you are going to love this book. Sales Cycle Tsunami cuts out the fat and gets right to what you need to build a sales cycle and platform as an expert. If you are done with excuses and are eager to get super-focused and leverage your strengths to create tantalizing opt-in and blog content, publish a book, build a product or program and launch it to your ideal clients this book is for you. David Jehlen is going to lead you through powerful, carefully designed 3-stage program that will help you get there faster than you ever thought possible! It's your obligation to get your knowledge into the hands of those you are meant to serve! Let's get going!
