

Sisters Are Like Sunshine: Every Family's Treasure

In praise of sisters, a celebration for those who share the most unbreakable bond of all. *Sisters Are Like Sunshine* captures the joys and the jealousies, the passing rivalries, and the enduring ties that come with being -- or having -- a sister. There are observations, from such famous people as Abigail Van Buren, Betty White, and Anna Quindlen; suggestions for smoothing rough times; lighthearted poems to be posted on the refrigerator door; and both humorous and heartfelt tributes to the qualities that make sisters so special -- be they youngest, eldest, or anywhere in between.
