

# Investment Wisdom: 750 Quotes from 50 Legendary Investors

Investment Wisdom contains some of the best quotes from 50 investors who have distinguished themselves in the world of investing. Quotes can teach us so much in so few words, and though you may read them over and over, you will gain a deeper understanding of the message each time. A variety of investors some familiar and some relatively unknown are represented within this book. They are bargain hunters, contrarians, and independent thinkers who reached investment success by trusting their judgment when no one agreed with them. Their insight and intuition come to life through their words to guide and inspire us.
