

The Princess and the Sleep Stealer

Princess Luna is the Sleep Keeper of the little town of Papier. Every night, she leans out of her castle window and sprinkles sleepy dust down to the houses below, sending everyone gently to sleep until morning. But disaster strikes when the dust disappears! Where has it gone? And with time rapidly running out, will the princess get it back before bedtime? With sleep-stealing pirates, a friendly dragon and a heroic princess, not to mention a moonlit race over sugar mountains and through liquorice trees, this book has all the ingredients for the perfect bedtime story!
