

The Fish Who Cried Wolf

From the award-winning team behind ROOM ON THE BROOM -- a very fishy story about very fishy stories! The little fish Tiddler comes late to school every day, but always with an elaborate excuse that entrances his classmates -- and annoys his teacher! One day, as hes thinking up his next story, a net sweeps him up and hauls him far away. How will Tiddler find his way home? All he has to do is follow the trail of his biggest, fishiest story yet! For every parent or teacher who knows the boundless creativity of a perpetually late child, this book shows how to channel that energy into stories to be shared with friends and family. With a bouncy, bubbling rhyme . . .
