

Minerva Louise at School

Out for an early morning walk, Minerva Louise the hen sees a big, fancy barn with a flag out front and brightly decorated windows. She just has to explore the stalls with milking stools, the pigpen, and (most important for a hen) the nesting boxes. Young children--who know a school when they see one--will delight in the intrepid hens third birdbrained adventure. Delightful...Minerva Louises goofy perceptions and enterprising spirit are sure to tickle preschoolers. --Kirkus Reviews* A Picture Puffin * Full-color illustrations* 24 pages* 10 x 8* Ages 2-6
