

## Kingfisher Readers L2: Chimpanzees (Kingfisher Readers - Level 2 (Hardback))

This irresistible reading series is sure to fire the imagination of young readers with its exciting range of high-interest topics and its great-looking, easy-to-follow design. Developed with literacy experts, this five-level graded reading series will guide young readers as they build confidence and fluency in their literacy skills and progress towards reading alone. Chimpanzees introduces children who are beginning to read alone to these wonderful primates. It includes facts about habitat, families, and behavior. Children can discover how baby chimps grow up, learn to use tools, and how similar they are to us.
