

Tom Brady (Football Superstars)

This is a full-color biography of a football legend. Tom Brady's rise to fame started early in the 2001 season when an injury forced Patriots quarterback Drew Bledsoe out of the game. Enter Brady, the 24-year-old kid from the University of Michigan. Only his second year in the NFL, Brady had spent his rookie year as a fourth-string quarterback. But during the off-season, he proved he could be something more. He pulled the Patriots from a losing record to win the playoffs. Much to football's surprise, he then expertly navigated his team to victory in Super Bowl XXXVI. Tom Brady is the inspiring story of how one man captivated millions of hearts in America. Covering Brady's childhood, influences, setbacks, and triumphs, this exciting, full-color biography is sure to become a favorite for loyal football fans.
