

Little She-Wolf

Little She-Wolf is the story of a wolf pup who is sung out of her den by the wind and ventures into the night forest for the first time. With the help of Goanna, Old Owl and Great Stag, Little She-Wolf learns to follow her dreams, make her way through the dark and find her own feet in the world. Join in her adventure. Little She-Wolf is a beautifully illustrated tale told as a poem, a coming of age story that children and adults alike can enjoy. It is a lyrical book that inspires confidence, self-inquiry and independence.
