

Jesus: The Human Face of God

In Jesus, Jay Parini turns the powerful narrative skill he's wielded over the course of a four-decade career to a figure who has dominated our collective imagination and cultural iconography for over 20 centuries. The main trend of modern theology has hinged on the notion of demythologizing Jesus. Parini's book seeks to re-mythologize him, considering the story in all its mythical radiance, taking Jesus as the human face of God. It asks: What's so moving about Jesus's story that millions of people over two millennia have considered it a paradigm for living? Far from dogmatic, Parini looks at the many ways in which Jesus has been viewed and dramatizes the transformation from Jesus to Christ, man to myth, and obscure Jewish carpenter to someone who pointed a finger toward God and said with conviction: This is the way. Follow me.
