

Pagan Portals - Sacred Sex and Magick

The members of the Web PATH Center, a pagan church and spiritual community in Lyons, NY, wondered what would happen if they wrote a book about sex. The book needed to be spiritual. It needed to be sexy. It needed to be explicit. Sacred Sex and Magick is the result. The group describes how ordinary ritual practices like grounding and creating a cone of power involve sensuality and rising kundalini energy. They explain how to use that power in making magick happen. Then they share secrets of the Great Rite and how to include the power of the sacred marriage at home. This book is for people who want a spiritual path that involves the physical ecstasy of sex and the dynamics of magick that works. Solitaries, pagan partners and spouses, and people with spirit lovers will all dance with the ecstasy found in this book.
