

A Country Ramble (River Tales From Old Glossops Bridge Book 1)

Following on from Nautical Chaos - A Number 1 best-selling Kindle book, this delightful childrens picture book tells the tale of how Warty Froggit and the gang enjoy a country ramble in the afternoon sun. Until Gerald Gander manages to upset a bees nest and ends up being chased by angry bees, so they all flee before setting down in the shade to enjoy some chilled lemonade and a burping contest.! The fun and laughter continue late into the afternoon until they realise they are lost, so funble around in the dark. However, Billy Rat saves the day and his keen snout sniffs out cake crumbs that lead all the way back home..!
