

Mi rinoceronte: (Spanish language edition of My Rhinoceros) (Spanish Edition)

Watch Jon Agee win over a new flock of fans--the toddler set. If you should ever get a rhinoceros for a pet, you're in for a surprise. It won't chase a ball. Or a stick. Or a frisbie. In fact, according to the experts, a rhinoceros does only two things: pop balloons and poke holes in kites. But don't be discouraged. As you'll discover in Jon Agee's hilarious picture book, rhinoceroses can do more--so much more--than that! Si alguna vez tienes de mascota un rinoceronte, te llevaras una gran sorpresa. El rinoceronte no corra detras de una pelota, un palo o un frisbie. De hecho, segun los expertos, un rinoceronte solo hace dos cosas: explota globos y le hace hoyos a las cometas. Pero no te preocupes. En este divertidísimo libro de Jon Agee descubriras que los rinocerontes pueden hacer mas, mucho mas que eso.
