

Pandora

Pandora lives alone, in a world of broken things. She makes herself a handsome home, but no one ever comes to visit. Then one day, something falls from the sky . . . a bird with a broken wing. Little by little, Pandora helps the bird grow stronger. Little by little, the bird helps Pandora feel less lonely. The bird begins to fly again, and always comes back bringing seeds and flowers and other small gifts. But then one day, it flies away and doesn't return. Pandora is heartbroken. Until things begin to grow . . . Here is a stunningly illustrated celebration of connection and renewal.
