

Claude Monet: The Magician of Colour (Adventures in Art)

Monet was a true magician of light and of colour. Yet it is not only his painting that fascinates us, but also the interesting life he led with his family and many friends. This book tells the tale of an unusual artist and his pictures. This is one book in the series Adventures in Art which is aimed at the young and the young at heart. It takes us on a voyage of discovery, exploring the world of art and showing us how to look at pictures in a relaxed, light-hearted way. Aiming to open up the world of art to children of all ages everywhere, these books present famous artists and their works in a way that should stimulate our own creativity.
