

Ivana Kupala: The Night of the Forest-Spirit (Jaynes Nature)

Put forth three or four exceptionally nice girls, given a strong faith in God, a spirit of adventure, and a safe haven in the woods, and-- oh, yes-- a penchant for not wearing clothes. What ensues is the very nature of innocent adventure, complete with sisterly camaraderie, adventurous risk-taking, heart-stopping suspense and plenty of good humour besides. Join Jayne and her soul-sisters, in a series of episodes is taken from Jaynes real-life online journal, as they explore the primeval New Jersey outback, bare as Nature intended. But leave your sinful notions behind; for its not about that at all. The girls and their friends borrow from ancient Russian tradition and go into the woods to celebrate the summer solstice au naturel. Some of them take in in stride; for others it becomes a life-changing experience.
