

## Furry Friends (Paw Pals)

I like to roll and play peek-a-boo! Come on, let's play- just me and you! In this Paw Pals board book, little ones will read along as adorable kittens and pups frolic, sleep, and explore the world around them. The heartwarming photographs are presented alongside sweet rhyming text that captures the strong bond of friendship between cuddly animals, big and small. Acclaimed photographer Rachael Hale uses her lens, her love of animals, and a great deal of patience, to create an enchanting perspective on friendship between kitties and puppies.
