

## Bramleys Little Sister (Volume 1)

Bramley is a sweet, gentle giant with a huge heart and willingness to make friends.

Once the baby of the family; Bramley, soon meets his new human baby sister, Sierra. He is a little uncertain at first. After a bit of hesitation, however, he befriends her and begins to enjoy her presence as the relationship grows and a bond develops. As with any sibling relationship, there are trying moments, such as when he struggles to share his Mamas lap, or when Sierra plays a little too rough. Eventually Bramley and Sierra play together, share toys and snacks, and become good friends. By the end of the story, Bramley realizes the benefits of having a baby sister.
