

Another Sommer-Time Story: I Am A Lion

To grow up to be big, little lions have to learn survival skills, but the cub Sangu didnt want to listen to Papa and Mamas lessons-he just wants to play. Getting lost while escaping a charging rhino, Sangu learned how unprepared he really was to be out on his own. Befriended by some kind gazelles, Sangu didnt have the slightest idea as to what a lion should be. Sangu finally learned some valuable lessons-the hard way.
