

The Artisans Book of Fetishcraft: Patterns and Instructions for Creating Professional Fetishwear, Restraints and Sensory Equipment

This beautiful and useful book teaches the reader to design and construct fetishwear, restraints, sensory deprivation devices, toys and whips, professionally elegant and customized to the makers individual needs and desires. Each project includes a detailed pattern with complete instructions for tailoring it to fit the wearers or users physiology and fantasies. Featuring such never-before-shown luxury items as full-body zentai, custom lace-up hoods, fully professional and properly weighted floggers and singletails, and various body harnesses for all genders, The Artisans Guide will pay for itself hundreds of times over in the hands of a creative craftsman.
