

Ann Price For President (3 Book 1)

Ann Price for President is gripping in monolithic proportions. Anns becomes the first woman president in American History.

This is a young woman who is struggling with her sexuality and trying to find out her identity and purpose in life! Ann has overcome many obstacles that she has inherited from her father, such as his libido, lust for life and sex. She finally learns how to deal with both: with the help of her family and Doctor Peter Goldman. Ann is confronted with blackmail and she averted this catastrophe. She has often said, Life can sometimes be compared to a deck of cards; in that you have to play the hand you are given.
