

In Search of the Beautiful Voice

One day, the Little Pink Elephant hears a beautiful voice in the forrest. He sets out on a search to find out who that beautiful voice belongs to. During his journey, the elephant meets many birds and learns about their voices and the sounds they make. But even after searching for a whole day, our friend, the Little Pink Elephant doesnt meet the bird, with that beautiful voice. Frustrated, he decides to quit searching. What happens next? Apart from teaching kids about the different sounds which the birds make, this book also teaches them an important life lesson: Never quit. Never give up. Keep trying again and again until you succeed.
