

Baby Whales Drink Milk (Lets Read-And-Find-Out Science)

The title epitomizes Esbensen's creative presentation of an important concept: how whales differ from the fish they seem to resemble and share characteristics with other mammals. An excellent addition to the Lets-Read-and-Find-Out series. K. Introduces a full range of information about whale anatomy, development, and behavior. Esbensen's simple, informative text keeps its young audience clearly in view. BL.
