

## In the Barnyard (Set)

Welcome to the barnyard! Kids love to learn about animals, especially common ones they might encounter every day. These low reading level introductions to barnyard animals are sure to be popular with young readers. Each bright book features clear photos and simple descriptions of common barnyard animals, their food, normal care, and common behaviors. Fun facts, a glossary, and sources for further research make this series a great starting point for curious beginning readers.
