

First Verses: Bedtime Rhymes

First Verses is a series of books of new and original poetry for young children, chosen by John Foster. The first four titles were very well received, and Bedtime Rhymes is one of the second batch of four more First Verses titles. In Bedtime Rhymes there are poems for when you don't want to go to bed, and for when you do. There's bath time and hair-washing too (groan) before you drift off to dream. The book is illustrated in full colour, and Carol Thompson's beautifully observed pictures create their own lively world, as well as giving help on how to play some of the rhymes. This book is intended for interest age: 2+
