

Beware the Gingerbread House: Raven Hill Mysteries, Book 5

Here is Book 5 in our hugely popular Raven Hill Mysteries series, from the internationally best-selling author of the Deltora Quest series. Each book features a different character. The cake shop in the local mall, the Gingerbread House, gives Sunny the creeps. The rest of the Teen Power gang disagrees. Its good money, easy work, and there are delicious things to eat - free! It seems like a fairytale come true. But fairytales can often be scary as well. Sunny knows she has to act fast, or this will be one story that won't have a happy ending. Emily Rodda has won the CBCA Book of the Year a record five times!
