

## 30 Ballparks in 30 Days: A Journal From the Road

It was April when we set out on our quest to see a game in all 30 Major League ballparks in 30 days. We had one rule for the Trip: we had to drive the whole way - no planes, no trains - just us and our Mini Vanbino on the open road. Was it possible? Could we do it? This journal is our day-by-day account of life on the road during the 18,000 mile road trip adventure across America.
