

The Project Management Office (PMO): A Quest for Understanding (Final Research Report)

Since project management offices began to appear in organizations over the last decade, project management practitioners and their organizations have been asking how to structure project management offices (PMOs) and what functions to assign them. In *The Project Management Office or PMO: A Quest For Understanding*, authors Brian Hobbs and Monique Aubry address these questions, providing a look at how PMOs exist today, and some clues about how and why they're changing.
