

## H.O.R.S.E. (Carolrhoda Picture Books)

One day at the basketball court, two kids, a familiar challenge H.O.R.S.E.? But this isn't your grandmother's game of hoops. Not when a layup from the other side of the court, standing on one foot, with your eyes closed is just the warm-up. Around the neighborhood, around the world, off Saturn's rings..the pair goes back and forth. The game is as much about skill as it is about imagination. A slam dunk from award-winning author and illustrator Christopher Myers, H.O.R.S.E. is a celebration of the sport of basketball, the art of trash-talking, and the idea that what's possible is bounded only by what you can dream.
