

Emotional Intelligence Box Set: 44+ Great Tips and Suggestions to Gain Skills to Perceive, Understand, and Respond to the Emotions of Others Using the Power ... Intelligence Box Set, Emotional self help)

BOOK #1: Emotional Intelligence: Great Tips and Suggestions on How to Improve Your Emotional Intelligence and Take Control of Your Life The world around us is often chaotic, out of control, and the measure of a human being is whether or not they can show the right emotions at the right time. There is, of course, no discernible rhyme or reason to the standards therein, but rather they are fluid, constantly changing. Emotional Intelligence: Great Tips and Suggestions will walk you through the process of using the correct emotions at the right time and keeping them within the proper boundaries that will improve the quality of your life, rather than confuse and bog down your life.

This book provides:Real time tools to help you take control of literally every aspect of your life through increasing your Emotional Intelligence.What Is Emotional Intelligence?EQ Professional ApplicationEQ Personal Application
BOOK #2: Subconscious: Improve Your Life and Achieve Your Goals With the Best Methods to Train and Use the Power of the Subconscious Mind The Subconscious is a book for everyone who wants to improve their life and achieve their goals using tried and true methods to train and use the power of the subconscious mind. It is a vast field that requires a discussion of many topics including the anatomy or structure of the brain and its normal, automatic functioning. The goal is personal discovery, to find happiness and health by knowing yourself better and curbing negative vibes and habits.
