

Wade Cooks Stock Picking Handbook

Millions of Americans need more income. What they don't need is more work and more stress. Wade Cooks Stock Picking Handbook is the answer to cash flow. It explains and explores ways to get a second paycheck without getting a second job. This new work is full of real examples and is actually two books in one. Book One, How to Invest in the Stock Market explains stock movements, values, bargains, events and positioning. You'll find ways to trade for monthly income on your great investments. Investing and Trading can enhance each other. Book Two, How to Trade in the Stock Market is about trading for cash flow. Here you will find dozens of solutions for generating cash to support the family, even with little money to start with. Both books, Investing and Trading, make up a tour-de-force in making better decisions and generating spendable income. Both strategies are included in this book by New York Times Business Bestselling author Wade B. Cook.
