

An Army of Frogs (A Kulipari Novel #1)

Watch the Netflix original series based on the books starting September 4, 2016! Its frogs versus scorpions in this new series by professional football player Trevor Pryce. For years, the frogs of the Amphibilands have lived in safetyprotected by an elite group of poisonous frogs named the Kulipari and by the dreamcasting spell of the turtle king that cloaks their lands in mystery. Now the spell is threatened by the Spider Queen, a talented spellcaster, and Lord Marmoo, leader of the scorpions. With the Kulipari off training in secret, the Amphibilands have never been so vulnerable. Enter Darel, a young frog who dreams of joining the Kulipari, despite his utter lack of poison and limited fighting skills. With the help of a motley crew of friends, Darel has the chance to become the warrior of his dreams. Cool animals, thrilling action, and a bit of natural sciencethis novel, illustrated in full color by acclaimed comics artist Sanford Greene, is sure to be a major hit with boys.Praise for An Army of Frogs This little frog should find fans among readers of the Warriors and Redwall sagas. Kirkus Reviews Pryce builds tension as the frogs figure out how to deploy their varied skills and reach the ancient turtle king who long ago placed a protective spell over their land. The violent but not overly graphic action is well matched by Greenes dynamic and plentiful full-color illustrations. Booklist In this fast-paced tale, Pryce finds just the right balance between brutality and bravery, friendship and betrayal, and loss and discovery. A must-have, winning adventure that is nearly impossible to put down. School Library Journal Greenes color full-page illustrations have the richly saturated look of Marvel comic books, and theres a superhero feel to the various fighting poses Darel and his pals take. The Bulletin of the Center for Childrens Books This clever fantasy series featuring frogs versus scorpions, set in Australia, makes
