

## Find a Cow Now!

Ruff!Ruff!Yip!Yip! Dog is rounding up whatever he can find in his urban apartment, even chairs. He is also driving his bird companion crazy with the commotion. Bird sends him to the countryside to find something more appropriate to herd, like a cow. But since Dog has never seen a cow, he finds all the wrong animals. After being pecked by a chicken, spattered with mud by a pig, and walloped by a donkey, Dog needs a friend. By chance a mysterious and kindly animal helps lead him back to the city, only to cause chaos there, before revealing her identity-as a cow!
