

Tacky in Trouble (Tacky the Penguin)

Tacky the penguin goes windsurfing and ends up on a tropical island, captive to an elephant who, upon seeing Tackys floral Hawaiian shirt, mistakes him for a bouquet of flowers. The elephant thinks that Tacky would make a pretty centerpiece, so she arranges him in a vase and sets him on her table. Tacky is going to have to use all of his best penguin moves to get himself out of this hilarious jungle mix-up. Tackys fans are sure to delight in the show. Only the team of Helen Lester and Lynn Munsinger could pull off a tale of such far-fetched adventure. They are masters at the art of creating silly stories and beloved characters that make children laugh out loud. This latest tale about Tacky will be a hard one to keep on the shelves.
