

## The New Reality of Wall Street

Don Coxe has provided an excellent survival guide for understanding the financial markets of the 21st century.--David Hale, global economist, Hale Advisors LLC The New Reality of Wall Street explains what went wrong in the 2000-2002 markets, and what investors can do to build a solid portfolio amid the turbulence and fear that still grips much of investing. This important book also discusses strategies to recoup losses, where to find the best new investment opportunities, and much more.
