

## Sticker Styles: Flower Princesses

More wonderful mix-and-match sticker costumes let paper doll lovers everywhere design their very own amazing outfits. Each book comes with two cardstock paper dolls that have a front and a back. There are 14 paper dresses that go over the dolls heads and are held on with sticker tabs so they really stay on. And that's not all! Cool sticker outfits and accessories can be used again and again for limitless combinations and endless fashion fun! This innovative approach has revolutionized the paper doll experience by replacing those ineffective paper tabs with ingenious new sticker engineering. Irises and lilies dance with buttercups and tulips as your garden comes to life with flower princess dolls!
