

Cat Rule! (Snap Books: Cats Rule!)

Did you know cats have lived with people since ancient times? People liked to have them around to hunt mice and other rodents. Today hundreds of millions of cats are kept as pets around the world, and there are almost 80 different breeds of cat to choose from. In these books, young readers will learn all about these cuddly companions, including how to tell one breed from another, how cats wild roots still affect their behaviour, and how best to care for their own pet cats.
