

The Promised Land: Hacienda Luisita--An i-Team Special Report

An immense estate in the Philippine agricultural heartland of central Luzon, Hacienda Luisita, controlled by the family of late Philippine president Corazon C. Aquino and her son, current president Benigno Aquino III, has become a symbol of the Philippines agrarian reform program--and its failures. In this Philippine Daily Inquirer i-Team special report, Fernando del Mundo delves into the effects of agrarian reform failure on the farmers of Hacienda Luisita. This e-book also includes a reply by members of the Cojuangco family, a timeline showing how the hacienda was first acquired and excerpts from a landmark ruling by the Philippine Supreme Court.
