

## Caterpillars Dream (Critter Tales)

This charmingly illustrated, expressive critter has a vibrant tale to share with young readers. Caterpillar dreams of flying. In the grand tradition of the friends of those with dreams of flying, Caterpillars friends remain skeptical, at best. Then one day she disappears, leaving her friends to find a strange thing hanging from a leaf. To their amazement, it wriggles and opens. Can you guess what appears? Readers will also discover the special feature tucked between the covers of this book. Critters and cocoons alike leap off the page just enough to give little fingers something special to explore. Dreams do come true!
