

Hairdressing 3

Hairdressing for NVQ Level 3 has been written to match the latest specifications at this level. Step-by-step guidance to practical techniques along with detailed explanations of technical and business skills ensures that this text covers all that is required. Aimed specifically at the Level 3 student, an integrated approach to the subject is taken throughout and the high level of illustrations and photographs aid clarity and understanding. All mandatory and optional units are covered and questions to test knowledge and understanding are also included. Contents include:

- Setting and dressing hair
- Managing people
- Effective use of resources
- Thermal styling and relaxing
- Providing a quality service
