

## A Chair For Baby Bear

Every child and parent knows the story of Goldilocks and the Three Bears. We know how Goldilocks ate all of Baby Bear's porridge, then sat on Baby Bear's chair and broke it. But what happened after Goldilocks left? Kids will delight in this brand new story of how Mother Bear, Father Bear, and Baby Bear go shopping for a brand new chair. They find all kinds of chairs. In fact, the choices are so great that they overwhelm poor Baby Bear. He doesn't know what to do. Then, an old friend appears in this new story with a solution to Baby Bear's puzzle. Kids will love author Kaye Umansky's surprise ending. They'll also love the beautiful color illustrations on every page, rendered by illustrator Chris Fisher in a charming, old-fashioned style that recalls storybooks of an earlier time.
