

Soccerheads 3: At the Academy

Just when the Soccerheads finally sort the Double Trouble, they start sinking down the table. Fast. No Buck. No coach, and talk of kids leaving. Coachless and rudderless. To top it off, Hammo is getting out of control as the team starts to crumble. Help might be around the corner with talk of an academy coming to town, but will it all happen before its too late? Buck returns just in time to help out the team, but hes not the Buck they knew.
