

## The Dog Prince and the Royal Ball

Who wouldn't want to win a royal contest and impress a cute prince? When the Dog Prince comes to visit, Rachel Rose thinks he's the cutest dog she's ever seen, and immediately, she gets drawn into his contest for the Royal Ball. However, the contest isn't as simple as it seems, and her adventures lead her to redefine what winning truly means. Using real dogs (photographed on a beautiful beach in Southwest Florida), this picture book promotes self-respect and self-care. The message of staying true to yourself is embellished by charismatic, cute and comic dogs.
