

Little Shytes - Confessions of a Toddler

Little ShytesConfessions of a Toddler is the first in a series of five books depicting the life and experiences of Benjamin and his little sister Abiagael. This is the true story of two toddlers and the trouble they get into. Youll love reading Benjamins descriptions of his event-filled days with Mum, Dad, Abiagael and Jessica the cat. Bens a talented storyteller, but his version of events is not always the same as mums. Very entertaining. If I had viewed the world through the eyes of my sons, parenting would have been a whole lot easier. Good read. Judy Giacci, Director, MGM Group Pty Ltd WOW! WOW! WOW! Ive just finished it. I knew it would be SO GOOD after reading the foreword. Its funny, witty, honest and very clever. It makes you think more about what your child is thinking! Benjamin, you little minx, you are funny, cheeky but oh so loveable. Well done, Lisa. Extremely proud. xxx Sandra Bennett, Managing Director, Boogie Roos A percentage of the sales will be donated to the Kids Cancer Project to assist the research to find a cure for childrens cancer.
