

Corduroys Garden

In Corduroys Garden, Lisa leaves Corduroy to keep watch over her newly planted seeds. But when a puppy digs up the garden, its up to Corduroy to save the day. Based on the popular characters created by Don Freeman, the Corduroy easy-to-read series is ideal for children just beginning to read on their own. The brief sentences, repetitive phrases, and important visual clues within the illustrations help readers along while keeping them entertained.
