

Danger Guys

Noodle and Zeek love danger, but when a real adventure comes their way, will they be ready? Best friends Noodle and Zeek are among the first in line when a new store, Danger Guy, opens in their local mall. It has all the survival gear the boys could dream of, and their excitement is lessened only when they notice two big, angry men yelling at the owner. When Noodle and Zeek wander into a small room on the other side of the store, they're shut inside. That's when the two realize they're in the back of a truck heading out of town. After a terrifying ride, Noodle and Zeek arrive at an ancient temple full of treasures. There they discover that their kidnappers are the two men from the store, and the boys are not the only ones who have been captured. The Emersons, a famous husband-and-wife explorer team, are there too. It's up to Noodle and Zeek to rescue the prisoners and save the day before they're trapped in the temple forever!
